SOPHOMORE YEAR

| CHEM 2750,2753 (Organic Chem I)            | CHEM 2760,2763 (Organic Chem II)         |
| 3,1                                        | 3,1                                      |
| MATH 2122 (Calc II Life Sciences)*         | PHYS 1250,1251 (Gen Phys I)              |
| 3                                          | 3                                        |
| ENGL 2201 (Writing / Disciplines)          | KINE 1000 (Physical Activity)            |
| 3                                          | 1                                        |
| Foreign Language 1001                      | Foreign Language 1002                    |
| 3                                          | 3                                        |
| Elective**                                 | Elective**                               |
| 3                                          | 3                                        |
| Total hours completed: 16                  | 15                                       |

JUNIOR YEAR

| PHYS 1260,1261 (Gen Phys II)               | CHEM 3250,3251 (Quant. Analysis)         |
| 3,1                                        | 3,2                                      |
| Foreign Language 1003                      | Foreign Language 1004                    |
| 3                                          | 3                                        |
| Social Science                             | Social Science                           |
| 3                                          | 3                                        |
| Elective**                                 | Humanities                              |
| 6                                          | 3                                        |
| Total hours completed: 16                  | 14                                       |

SENIOR YEAR

| CHEM 3850,3851 (Intro Phys Chem)           | CHEM 3450, 3451 (Inorganic Chem)         |
| 4,1                                        | 3,1                                      |
| Elective**                                 | Elective**                               |
| 10                                         | 6                                        |
| Total hours completed: 15                  | 13                                       |

*Students may choose to replace MATH 2121 and 2122 (6 s.h. sequence) with the following sequence: MATH 1083, MATH 2171 and MATH 2172 (11 s.h. sequence). Adjust elective hours accordingly.

**An elective can be any course in any department. Consider taking prerequisites for graduate or professional schools when this degree plan lists "elective."
