I understand that all previously earned credits and grades for 7000/7001 thesis courses will remain on my record but will not count toward the degree. I may be required to enroll in additional course credits to meet the requirements for the non-thesis degree. Any grades of “Q” assigned under the former grading system will be changed to “S” or “U” as appropriate by the professor of record through submission of a grade change form to the Registrar’s Office. If enrolled in a thesis course for the current term, I may drop the course prior to the last day to drop a graduate course according to the published academic calendar. A statement will appear on my transcript noting the transfer from the thesis to non-thesis track with the effective month, day and year.
